

Joe Dean Illustration/Animation/Web

joe@joedean.com

310.713.8570

I build Websites, do Motion Graphics, Animation, Sound Design, Illustration and I install and customize Wordpress themes. My skills include Photoshop, Illustrator, Flash, After Effects, Dreamweaver and Indesign, as well as HTML and CSS.

Among the programs I use are: Photoshop, Illustrator, Flash, After Effects, Dreamweaver, Indesign, Video Editors Final Cut Pro and Premiere.

Please view more of my work at JoeDean.com

Recent Projects:

Animation:

- Global Cash Card Logo

I created this 3D logo animation to the clients exact specifications. [Click to view](#)

- Cave Painting sequence for Motion Picture Albion:The Enchanted Stallion

I was asked to create animated cave paintings to tell the expositional aspect of the story, setting up the action for the rest of the film.

My participation: Design, Storyboard, Animation. [Click to view](#)

- Interactive Flash Banner Ad, reel

These ads were designed by the art department at The Illusion Factory, I executed the ads in flash for web consumption, then later assembled these in After Effects for the company's presentation reel. I also created the music track.

My participation: Animation in Flash, Assemblage in After Effects, Music Production. [Click to view](#)

- Olympic Interstitials

My participation: Animation. [Click to view](#)

- Humorous Holiday Greeting

The Illusion Factory asked me to create an animated holiday greeting for them. I wrote, designed, storyboarded, animated, and did sound design.

My participation: Concept, Design, Storyboard, Animation, Sound Design. [Click to view](#)

- Various Humorous Penguins

These penguins were created for a phone app so users could give either a thumbs up or thumbs down on a particular product. The backgrounds were transparent and showed the product involved, but for the purposes of my reel, I made the backgrounds a color.

My participation: Design, Storyboard, Animation, Sound Design. [Click to view](#)

- Another sort of Penguin

This is a personal piece.

My participation: Concept, Design, Storyboard, Animation, Sound Design. [Click to view](#)
